Ken Vincent, "Universals in Religion"

Whether the High God (or if you prefer, Ultimate Reality) connects with Creation in a personal way or not, there are two things that are true about God: God is REALLY BIG! And God LIKES CHANGE! When it comes to world religions, there are five Universals: 1) Spiritually transformative experiences, 2) Prayer/Meditation, 3) The Golden Rule, 4) Faith Healing, and 5) Miracle Stories. Dr. Ken R. Vincent is a writer and religious experience researcher who has over 150 publications in psychology and religion. Compassionate offering today will go to Ronald McDonald House of Galveston.

Kay Sandor, "Attachment & Impermanence: Lessons from Hurricane Ike"

Consider the effects of the hurricane on the human psyche and how we survived (or succumbed to) the natural disaster of Ike. Kay will explore how the prospect of danger lurks just outside our consciousness and how the fact that not a single hurricane threatened the Gulf coast this past year lures us just a little deeper into denial. Kay Sandor is an Islander by Choice for almost 20 years. She lives on the east end in a sea cottage that survived the 1900 storm and Ike. She likes to sail, garden, and watercolor.

John Gorman, "T.S. Eliot and the Experiment of Mysticism"

Enjoy a reading with commentary of "Little Gidding," the concluding poem of Eliot's **Four Quartets**. This work is from the late phase of Eliot's career. He has resolved a period of religious skepticism and struggle by committing to Christianity in its High Church Anglican form. He's writing from a perspective of faith, but, for UU purposes, it's of the essence that he's been elsewhere beforehand. Our speaker will attempt a simultaneous religious/psychological interpretation as we go through the beautifully realized and courageous meditative process Eliot has achieved. John Gorman is Professor of Literature at UH Clear Lake, a poet himself, and provides an annual "poetry" service for us.

President's Message

Dear Fellow UUFGC Members,

It is with mixed feelings that I am writing you for the last time as your 2009-2010 Board President. I welcome passing on the responsibilities of preparing a monthly meeting agenda, drafting this monthly letter, etc. but will miss the satisfaction of presiding at our monthly Board meetings. They have been invariably productive and amicable. For that I thank my fellow board members. A special THANK YOU to **Susan Persons** for her counsel and support.

And I can't thank enough the **Administration Team** of **Bets Anderson, Madeleine Baker, Margaret Canavan, Judy Glaister, Cheryl Henry & Sandra Sullivan** for all their work (much of it unseen!) that insures our monthly Newsletters, weekly Orders of Service, and other tasks too numerous to mention here are completed in a timely fashion. Our entire Fellowship owes you all a big THANK YOU!

This same debt of gratitude is owed to the standing committees that sustain our Fellowship. These include **Communications (Madeleine Baker)**, **Landscaping (Martha Terrill)**, **Membership (Cheryl Henry)**, **Policies and Procedures (Tony DiNuzzo)**, **Program & Worship (Geri Carr)**, **Religious Education (Neil Huddleston)**, **Social Action (Mary Hodgson)**, and **Supper Circles (Judy Glaister)** and the individual Fellowship members serving on these committees.

During the upcoming Annual Meeting scheduled for Sunday, June 6, we will elect a new slate of officers, including President Elect, Treasurer, and two At Large members. **Mike Hennen** will take over as President and I will continue participating in the monthly Board meetings at Past President. We will also approve a new Annual Budget and discuss other matters of importance to the Fellowship.

Love is the spirit of this church, and service is its gift.

This is our great covenant: to dwell together in peace, to seek the truth in love, and to help one another.

(Continued from page 1)

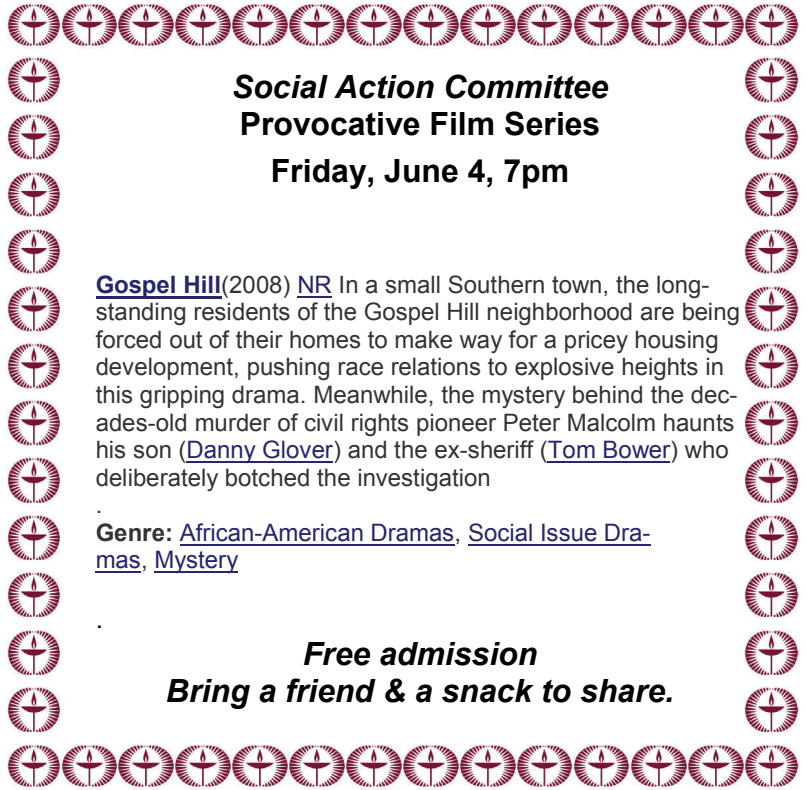

Plan to attend. Your vote is important. Remember a meal will be served so you won't go away hungry, either in mind or body!

It has been a quiet year for our Fellowship and I hope you all agree that our community continues to thrive. Our recent Attic Treasures sale was a resounding success, our Social Action committee is making an impact in the Galveston community with their Plastic Bag project, and members of the Worship committee are actively participating in the What Moves Us program. Our building continues to serve the needs of various groups in our community. See our monthly newsletter for details. Numerous other good things are always happening in our Fellowship community, and I ask all those whose good deeds I may have not mentioned during these monthly letters will forgive my oversights.

As always, if any of you have matters to discuss, never hesitate to seek me out during Sunday service or by email. <mailto:jhunger@bedfordstmartins.com>

Best Personal Regards,

John E. Hunger

Attic Treasures a HUGE Success!

Income of \$2457.60 with expenses of \$159.55 (refreshments for "early bird" reception, ads, price tags), net 2298.05. We provided great deals for our shoppers, bought a lot of things ourselves, and made a fine donation to the Resource and Crisis Center who carried off our leftovers. This event is not only a fund-raiser, but a community-builder. If you weren't part of the fun of setting up and/or holding the sale, you really missed out. We plan to have our 2011 sale in March. So it's not too early to start identifying things you no longer need or want!
